

Statistical Week

from September 8th to 11th, 2026
University of Duisburg-Essen

German Statistical Society 31th DStatG Young Scientists Workshop

The workshop is organised by the DStatG. It offers PhD students, PhD graduates and other young statisticians the opportunity to present their research work in a lecture and to discuss it in a small group with experienced university teachers.

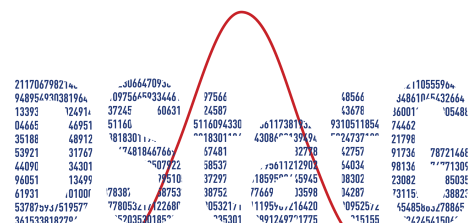

Deadline: May 1st, 2026

**Deadline extended until:
May 20th, 2026**
